This interactive panel will provide summer associates with the opportunity to hear from a group of women who have successfully navigated law firms' summer programs. In addition to hearing from associates, the panel will include hiring partner-level input on how to have a successful summer experience.

The Chicago Bar Association's Alliance for Women is a committee comprised of women attorneys in the Chicago legal community. The group is run by an Executive Board and two co-chairs.

To become more involved or hear more about the Alliance, please visit chicagobar.org or contact jennifer.bluestein@bakernet.com or ksheinfeld@corusbank.com.
