Vedder Price Recognized by Bloomberg Law as a Leading Law Firm

Vedder Price is pleased to announce it has been recognized by Bloomberg Law in its inaugural Leading Law Firms, which identifies firms making an impact within their field of practice.

This prestigious recognition highlights Vedder Price and other firms from across the U.S. that have excelled across a variety of categories, including financial strength, talent, growth, and business & innovation, setting a high bar for excellence in legal services.

Bloomberg Law gathered data on participating law firms through a questionnaire. Each category comprises multiple survey questions, which are aggregated into a normalized score for 2025 and weighted to determine the final score.

“Bloomberg Law is proud to honor trailblazing organizations in our debut of Leading Law Firms,” said Cesca Antonelli, editor-in-chief, Bloomberg Industry Group. “This inaugural group demonstrates the importance of embracing data and technology to spark innovation in their field.”
